

COGNAC FRAPIN EXTRA

PM SPIRITS

An astonishing Cognac aged only in the estate's dry cellars for **over 50 years**. Violets and spice on the nose belie the spirit's age, which is apparent on the palate. Orange peel, vanilla, *rancio*, and tobacco are followed by an exceptionally long, rich finish. The perfect dram to pair with dessert, Extra possesses a fantastic *rancio* quality that is typical of a great Grande Champagne distilled over lees. A stunning ode to the *premier cru* of the Cognac region.

ABOUT COGNAC FRAPIN

Frapin is true single estate Cognac. The historic brand and iconic estate is family owned, and always has been. Every step of the process is done by Frapin themselves, from tending the vines to winemaking to distillation to aging, and no grapes nor eau de vie are bought/sold. The iconic estate is home to nearly 600 acres of Ugni Blanc vines and distillation takes place on the lees on one of six copper pot stills. Now in their 21st generation of grower-producers, the Frapin family has been active in viticulture for over 750 years.
